PROPOSAL NO. 433, 1981. This proposal establishes a community corrections advisory board for Marion County. Councillor West explained that with the overcrowding at the Jail, the Judges have no alternative but to send first offender Class D felons to State institutions. The Advisory Board would serve as a tool to qualify for State funding. This would enable the program to commence which would confine people to a community correcting facility and allow them to be free in the day to do their work or possibly serve time on only weekends. This program would permit the felons to pay back their victims, i.e. purse snatchers. Councillor West continued that the Judges would create the type of sentencing. The Public Safety and Criminal Justice Committee approved this proposal by a vote of 7-0. Councillor SerVaas voiced his concerns regarding the Board and the staffing that they would need. After further discussion, Councillor Schneider moved, seconded by Councillor Jones, to Table Proposal No. 433, 1981, for further study by the Public Safety and Criminal Justice Committee.
