Com. C. Inds.

Council Chamber
Indianapolis July 8th 1843.

Council met all the members present.

The President laid before the Council an ordinance to amend an ordinance entitled "An Ordinance for protecting property from fire" Which was read twice passed and ordered to be published.

On Motion of Mr. Rickards

Ordered That the Supervisor under the Superintendance of a committee for the purpose, be directed to repair the bridge over the Canal on Indiana Street.

Mr. Louden from a committee to whom was refered the subject of improvement on the south End of the Alley running through Square sixty five, from north to south - reported that the same might be effected by grading said Alley, and opening the ditch on the north side of Maryland Street, for conveying the water therefrom, East, until it intersected Pennsylvania Street, thence south by a wooden Culvert across Maryland Street on a line with the west side of Pennsylvania Street, And recommended said Course. Which report was concurred in:
And

On Motion of Mr. Nowland

Ordered That the supervisor under the superintendance of a committee for the purpose, be directed to make improvement.

On Motion of Mr. Louden

Ordered That the supervisor under the superintendance of a committee for the purpose be directed to make necessary improvements on Washington Street, in front of John Cains Store.

On Motion of Mr. Goldsberry

Ordered That the supervisor under the superintendance of a committee for the purpose, be directed to expend six dollars on the west end of the alley running through Square fifty seven from East to West.

On Motion of Mr. Louden

Resolved That a Select Committee be appointed, to estimate the probable cost of making a permanent improvement on the Pond-drain north East of Indianapolis; and report the amount of money which may be subscribed, and the sources from which said subscriptions may be raised to effect said improvement, at the next meeting of the Council.

Messrs. Rickards Rooker and Nowland were appointed said Committee.

On Motion of Mr. Rickards

Ordered That the committee on Streets and Alleys be directed to view the alley running through Square fortyeight from north to south and make such improvements on said alley as they may deem expedient.
