INTRODUCTION OF GENERAL ORDINANCES

By Councilman Wallace:

GENERAL ORDINANCE NO. 86, 1958

AN ORDINANCE to amend the Municipal Code of Indianapolis, 1951, General Ordinance No. 140, 1951, as amended, providing for the licensing and regulation of taxicabs and fixing a time when same shall take effect, and repealing any ordinance in conflict therewith.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That Section 7-1706, subsection (1) of General Ordinance No. 140, 1951 as amended, is hereby amended to read as follows:

RENEWALS AND TRANSFERS AND TERMINATION OF LICENSES.—1. Except as herein provided, any person lawfully holding any one or more such licenses for taxicabs and not in default of any provisions hereof, shall be entitled to obtain a renewal license for each taxicab actually owned and controlled or operated by him, and for each license issued in his name even if at the time of such renewal no taxicab is owned or being operated therewith in accordance with the provisions of Section 7-1711 Subsection 2 as amended or as provided for herein, for each ensuing year, by paying the annual fee of seventy-five dollars for each such license and by maintaining in effect the required insurance policy for each vehicle operated.

Section 2. That Section 7-1711, Subsection (2), of General Ordinance No. 140, 1951, as amended, is hereby amended to read as follows:

Section 2. That Section 7-1711, Subsection (2), of General Ordinance

nance No. 140, 1951, as amended, is hereby amended to read as follows:

(2) No licensee shall operate more taxicabs than such licensee is licensed to operate but shall at all times operate a sufficient number of such taxicabs so that the public shall receive reasonably adequate service. A licensee may from time to time for indefinite periods remove taxicabs from service without replacing same and if such period of time shall exceed ninety (90) days, such licensee shall deliver to the Board of Public Safety written notification of the taxicabs so retired from active service, specifying the particular license number of each taxicab so retired. By so doing a licensee shall in no way surrender any right or title to such licenses and the licenses for taxicabs removed from service shall remain in full force and effect. When any license is so retired from service as provided for above and in the event the Board of Public Safety at any time may consider that taxicab service to the public is inadequate, then, in such case such Board may request all licensees who have removed taxicabs from service to return within a reasonable length of time such taxicabs or a portion of same to active service as the Board may consider necessary, or, if such taxicabs have been disposed of, to purchase or acquire taxicabs within a reasonable time to replace those so disposed of or a portion of same as the Board shall consider the public convenience and necessity requires. If any licensee shall object within five (5) days after receipt of such notice, then the Board shall hold a hearing in which such licensee shall be permitted to submit evidence concerning service rendered and the effect that the operation of additional taxicabs would have on such licensees business at such time. If after such hearing the Board of Public Safety shall determine that public convenience and necessity requires the operation of additional taxicabs, then such licensee shall be required to return to service such number of taxicabs as ordered by the Board or to replace same within a reasonable time if such taxicabs have been disposed of. In determining the number of taxicabs each licensee shall return to service no licensee shall be required to operate a greater portion of his licenses than any other licensee.

Section 3. That Section 7-1719, Subsection (6), of General Ordinance No. 140, 1951, as amended, is hereby repealed.

Section 4. This ordinance shall be in full force and effect from and after its passage, approval by the Mayor and compliance with all laws pertaining thereto.

Which was read for the first time and referred to the Committee on Public Health.
