The proceedings of the regular session held August 5, 1867, were
read and approved.

Mr. Coburn presented the contract and bond of Richard Carr, giv-
ing as security, Hiram Seibert and S. J. Smock—for grading and
graveling Kentucky Avenue and sidewalks, from West street to
White river.

Which was referred to the Judiciary Committee, with instructions
to report on it at next meeting.

Mr. Coburn introduced special appropriation ordinance No. 48—
1867, entitled:

AN ORDINANCE appropriating money for the payment of sundry claims
against the city of Indianapolis.

Which was read the first time by its title.

Mr. Cottrell offered the following resolution :

Resolved, That the Chief of the Police notify *every* member of the Police force that they must comply with the requirements of Section 15 of an ordinance entitled "an ordinance for the public morality, decency, and order."

The failure of the Chief of Police to enforce the provisions of said section 15, or the failure of any policeman to obey the order from the Chief of Police, shall be deemed guilty of a gross misdemeanor, and on sufficient proof thereof shall be immediately dismissed by the Board of Police.

The ayes and noes being taken under the charter, those who voted in the affirmative were Councilmen Cottrell, Davis, Geisel, Henschen and Woodburn—5.

Those who voted in the negative were Councilmen Burgess, Coburn, Kappes, Loomis, MacArthur, Seidensticker and Stanton—7.

So the resolution was not adopted.

Mr. Cottrell presented the following petition :

Mr. Loomis also offered the following motion :

That the Indianapolis Gas Light and Coke Company are hereby directed to lay down their gas mains upon and along South street, from School street

to Fletcher Avenue, thence on and along said Avenue to Cedar street, with a view to furnishing the citizens with gas, as also to light the said streets.

Which was adopted.

Mr. Loomis offered the following motion :

That Fredrick Buckner be permitted to grade the sidewalk in front of his lot, 99, Virginia Avenue, Dougherty street and corporation line, by direction of City Civil Engineer.

Which was adopted.

Mr. Loomis offered the following motion :

That the Lamp Lighter be directed to remove, and preserve, all gas posts and the lamps thereon that are not in use, and use the same where posts be become broken or otherwise.

Which was adopted.

Mr. MacArthur introduced special appropriation ordinance No. 49—1867, entitled :

AN ORDINANCE appropriating money for the payment of the Board of Registers and clerks of the city of Indianapolis.

Which was read the first time by its title.

Mr. MacArthur presented the following petition :

INDIANAPOLIS, Aug. 12, 1867.

To the Mayor and Common Council of the City of Indianapolis:

GENTLEMEN:—The undersigned respectfully ask of your honorable body the privilege of constructing a foot bridge across the canal at St. Clair street. We ask this owing to the great inconvenience that the citizens of that part of the city is subject to for reason of the incompletion of St. Clair street bridge. By granting the above you will confer a great convenience to all interested.

Respectfully,

J. McCORMACK.
E. McNEELY.

Which was received.

Also, the following resolution :

Resolved, That the sum necessary to construct said bridge be paid by the city provided said bridge will not cost more than twenty-five dollars, and that the Engineer make an estimate of the work when completed.

The ayes and noes being taken on the resolution, those who voted in the affirmative were Councilmen Burgess, Coburn, Davis, Geisel, Henschen, Jameson, Kappes, Loomis, MacMrthur and Woodburn—10.

Those who voted in the negative were Councilmen Cottrell and Seidensticker—2.

So the resolution was adopted :

Mr. MacArthur offered the following motion :

That a committee of five members of the Council be appointed to visit Biddle street and vicinity, and report at the next meeting of Council on the following points:

Whether in the judgment of the committee the vacation asked for by the Bellefontaine Railway Company is necessary for the safety of their movable property. Whether it is a proper vacation to make at this time; and whether the whole matter is of sufficient interest to the city at large to justify members of this Council from other wards in voting their sentiments, against the wishes of the members from the Ninth Ward.

Which was adopted.

Committee consists of Councilmen MacArthur, Kappes, Jameson, Henschen and Goddard.

Mr. Seidensticker presented the following petition :

INDIANAPOLIS, Aug 12, 1867.

To the Mayor and Common Council of the City of Indianapolis :

Your petitioner respectfully represents that his wife is the owner of lot 15, out-lot 15, in this city, that in paying his taxes for 1866, lot 14, in out-lot 15, was erroneously charged to him, and he paid the taxes thereon, believing it to be lot No. 15. Afterwards he had to pay the taxes on lot No. 15, in out-lot 15, to protect the same from sale. He now asks that the taxes erroneously paid by him on lot 14 be refunded to him.

GEORGE ILG.

Which was referred to the Finance Committee.

Dr. Woodburn introduced special ordinance No. 69—1867, entitled :

AN ORDINANCE to provide for grading, bowldering and curbing the outer edges of the sidewalks—with flat rock or Putnamville stone, where the same has not already been curbed—of Illinois street, between the south side of Market, and the north side of Ohio streets.

Which was read the first time by its title.

Dr. Woodburn introduced special ordinance No. 70—1867, entitled :

AN ORDINANCE to provide for the erection of lamp posts, lamps and fixtures complete to burn gas, except the service pipe—on Vermont street, between Meridian and Tennessee streets.

Which was read the first time by its title.

Sealed proposals were then opened and read by the City Clerk, and referred to the Board of Public Improvements.

REPORTS FROM CITY OFFICERS.

The City Auditor made the following report :

INDIANAPOLIS, Aug. 12, 1867.

To the Mayor and Common Council of the City of Indianapolis :

1. The contract and bond of William Kowan, for grading and bouldering the alley running north and south through square fifty-five, between Washington and Market streets

2. The contract and bond of D. Root, for erecting lamp posts, lamps and fixtures on East street, between Massachusetts Avenue and St. Clair streets.

3. The contract and bond of John Schier, for grading and grave'ing St. Clair street and sidewalk, between the Peru Railroad track and East Second street.

4. The contract and bond of the Indianapolis Gas Light and Coke Company, for erecting lamp posts, lamps and fixtures on McNabb streets, between Illinois and Meridian streets.

5. The contract and bond of Richard Carr, for grading and graveling McCarty street and sidewalks, between Illinois and Tennessee streets.

6. The contract and bond of Hiram Seibert, for grading and graveling Cherry street and sidewalks, between Fort Wayne Avenue and Ash street.

7. A petition was presented to your honorable body some time ago, and was referred to me from owners of real estate in square sixty-two, to have seventeen feet of the west side of lot one in square sixty-two, which is valued at two thousand two hundred and fifty dollars, and is owned by John P. Michael. I herewith report the necessary resolution to have it filled up, if you desire to do so.

8. The Civil Engineer to whom was referred a motion, offered by William H. Loomis, Esq., instructing the Civil Engineer to examine the proposals for grading, paving with brick and curbing the outside edge of the sidewalk, with flat rock stone, of Meridian street, west side, between Washington street and the Union Railway Company's track, informs me that he has made an examination of the proposals, and, that John Schier is the lowest bidder, his bid

being \$1.12 per lineal foot front for paving, and 85 cents per lineal foot front for curbing; his contract and bond is herewith submitted for approval.

9. Also, first and final estimate allowed Joseph Bernauer and John Bly, for grading and graveling New York street and south sidewalk, between Alabama and New Jersey streets.

10. The contract and bond of Charles Rooney, for grading and paving so much of the sidewalk as has not been already paved on the east side of Meridian street, between Washington and Maryland streets.

11. The contract and bond of Dan Mahoney, for grading and graveling the west sidewalk on Douglass street, between New York and Vermont streets.

12. The contract and bond of Joseph Schwartze, for grading and graveling the alley running north and south, through square thirty-two, between Ohio and New York streets.

13. Contract and bond of D. Root, for erecting lamp posts, lamps and fixtures on South street, between New Jersey street and Virginia Avenue.

Respectfully, JOHN G. WATERS, *City Auditor.*

Which was concurred in.

Contracts and bonds were then read and approved, and in addition to those reported by the Auditor, the contract and bond of William Kown, for bowldering Meridian street, between Ohio and New York streets, was read and approved.

The Auditor offered the following resolution :

Resolved, That the foregoing first and final estimate allowed Joseph Bernauer and John Bly for grading and graveling New York street and south sidewalk between Alabama and New Jersey streets, be and the same is hereby adopted as the estimate of this Council, and that the property owners are hereby required to pay the sums set opposite their respective names.

The ayes and noes being taken under the charter, those who voted in the affirmative were Councilmen Burgess, Coburn, Cottrell, Davis, Geisel, Henschen, Jameson, Kappes, Loomis, MacArthur, Seidensticker, Stanton and Woodburn—13.

No Councilman voting in the negative.

So the resolution was adopted :

The City Marshall made the following report :

INDIANANOLIS, Aug. 12, 1867.

To the Mayor and Common Council of the City of Indianapolis:

I desire to inform you that one, Pitcher, brought a civil suit against me before Esquire Fisher, claiming damages for some hogs sold by me under the ordinance prohibiting the running at large of hogs in the city. Esquire Fisher rendered judgment against me for \$12 50 on the ground that the Council had no legal authority of passing and enforcing said ordinance. I respectfully call your attention to this decision, and ask that the city appeal and attend to the further defense of this case, as she would be finally liable if this decision is sustained, and would be subjected to innumerable suits.

JOHN N. UNVERSAW, Marshal.

Which was referred to the City Attorney, with instructions to prosecute the appeal.

The Chief Fire Engineer made the following report :

OFFICE OF CHIEF FIRE ENGINEER, }
Indianapolis, August 5, 1867. }

To the Mayor and Common Council of the City of Indianapolis :

GENTLEMEN:—In obedience to an order of your honorable body of July 29, I herewith report the location of cisterns now built and where I think others are needed:

Noble and Market streets, 1; Noble and New York streets, 1; Noble and Michigan streets, 1; Noble street and Massachusetts Avenue 1; Davidson and Vermont streets, 1; East and Washington streets, 1; East and Ohio streets, 1; East street and Massachusetts Avenue, 1; New Jersey and Market streets, 1; New Jersey and Vermont streets, 1; New Jersey and Walnut streets, 1; Alabama and Ohio streets, 1; Alabama and North streets, 1; Alabama and St. Joseph streets, 1; Delaware street and Massachusetts Avenue, 1; Pennsylvania and Market streets, 1; Pennsylvania and Michigan streets, 1; Pennsylvania and St. Clair streets, 1; Meridian and Circle streets, 1; Meridian and Ohio streets, 1; Illinois and North streets, 1; Illinois and Pratt streets, 1; Tennessee and Market streets, 1; Tennessee and New York streets, near Avenue, 1; Tennessee and Vermont streets, 1; Washington and California streets, 1; California and Vermont streets, 1; Blackford and North streets, 1; Indiana Avenue and St. Clair street, 1; Mississippi and Maryland streets, 1; Tennessee and Georgia streets, 1; Tennessee and South streets, 1; Illinois and Washington streets, 1; Illinois and McNabb streets, 1; Bluff Road and Ray street, 1; Meridian and Washington streets, 1; Meridian and Georgia streets, 1; Union and McCarty streets, 1; Pennsylvania and Washington streets, 1; Pennsylvania and Merrill streets, 1; Delaware and Washington streets, 1; Delaware and South streets, 1; Delaware and McCarty streets, 1; Alabama and Merrill streets, 1; New Jersey and Louisiana streets, 1; East and McCarty streets, 1; Noble and Georgia streets, 1; Noble street and Virginia Avenue, 1; Cady and Georgia streets, 1; Cedar and Elm streets, 1. Whole number, 50.

In my judgment, gentlemen, cisterns should be built as soon as practicable, at the following places, viz.:

At the intersection of North and Winston streets, 1; Fort Wayne Avenue and Delaware street, 1; Meridian and Vermont streets, 1; Tennessee and Walnut streets, 1; Vine, or Cherry and Jackson streets, 1; Alabama and Maryland or Cumberland streets, 1; South street and Fletcher's Avenue, 1; Illinois and McCarty streets, 1; St. Clair and East streets, 1; West and McCarty, or Kingan streets, 1; East and Dougherty streets, 1; Virginia Avenue and Grove or Bradshaw streets, 1.

I would also recommend the placing of boxes in Pogue's Run under the bridges so as to receive the flow of water, with lids to keep out the sand or gravel, which can be raised when needed to receive the suction, which it is thought will facilitate the getting of water, and save machinery from the effect of gravel. All of which is respectfully submitted.

I am, gentlemen, with respect,

your obedient servant,

G. W. BUCHANAN,
Chief Indianapolis Fire Dept.

Which was referred to the Committee on Fire Department, and Chief Fire Engineer, with instructions to report on six localities needing cisterns most.

The ex-City Treasurer made the following report :
