REPORTS FROM CITY OFFICERS.

From the City Comptroller:

INDIANAPOLIS, December 7, 1903.

To the Honorable, The President and Members of the Common Council:

Gentlemen: I would call to your attention that the appropriation for "Interest and Exchange" of the General Appropriation Ordinance No. 24, 1902, fixing the appropriations for the year 1903, did not cover

the Boulevard bonds and Bridge bonds issued in 1903, the semi-annual interest on which will be payable on January 1, 1904, in addition to that paid July 1, 1903. This makes a deficiency in the appropriation of \$2,849.98, which should be provided for at once in order that the city's obligations may be promptly met. I, therefore, recommend an additional appropriation of \$2,850 for this purpose, and inclose ordinance for same.

Respectfully,

J. P. DUNN,
City Comptroller.

Which was read and referred to the Committee on Finance.

To the Honorable, The President and Members of the Common Council:

Gentlemen: I submit herewith letter from the Board of Public Works requesting transfer of appropriations as follows:

From "Cisterns" to "Blank Books, Printing and Stationery" ..\$	300.00
From "Repairs of Pogue's Run" to "Brightwood Water Works"	2,000.00

Respectfully,

J. P. DUNN,
City Comptroller.

INDIANAPOLIS, December 7, 1903.

Mr. Jacob P. Dunn, City Comptroller:

Dear Sir: By reason of several of the funds of this department now being depleted we respectfully request that you recommend to the Honorable City Council that the following transfers be made to replenish the same:

From "Repairs of Pogue's Run" to "Brightwood Water Works"	2,000.00

To the President and Members of the Common Council of the City of Indianapolis:

Gentlemen: We transmit with this communication for your consideration an ordinance approving a contract between Benjamin Roberts and the City of Indianapolis by and through the Board of Public Works, for permission to construct a spur from a sidetrack across Rural street.

Respectfully yours,

M. A. DOWNING,
JACOB WOESSNER,
DAVID WALLACE,
Board of Public Works.

Whereas, heretofore, to-wit: On the third day of November, 1903, Benjamin Roberts filed his petition before the Board of Public Works of the City of Indianapolis, as follows:

PETITION.

INDIANAPOLIS, Indiana, November 3, 1903.

To the Honorable Board of Public Works, Indianapolis, Indiana:

Gentlemen: I respectfully petition your Honorable body to grant a permit to attach a spur on my siding located on Rural street and the Indianapolis division of the C., C., C. & St. L. Railroad, as shown by the accompanying sketch.

Respectfully submitted,
BENJAMIN ROBERTS.

Now, therefore, This agreement, made and entered into this 30th day of November, 1903, by and between Benjamin Roberts, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part.

Witnesseth, That the party of the first part being desirous of securing a right of way for a switch or sidetrack across Rural street in the City of Indianapolis, which is more specifically described in the petition of the said first party hereto attached and made a part of this contract, hereby covenants and agrees and fully binds itself, its successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, it will lay, construct and maintain said switch or sidetrack upon terms and conditions hereinafter set forth, to-wit:

(1) It shall be laid, improved and kept in repair so as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said sidetrack or switch shall be laid upon such grade as shall be established by said Board and to its satisfaction and approval. Said sidetrack or switch shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said sidetrack or switch, or the railroad tracks with which said sidetrack or switch is or may be connected.

(3) The crossing where said sidetrack or switch intersects Rural street shall at all times be kept improved and repaired and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing, or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall at no time be stopped or detained thereon in such a manner as to obstruct public travel.

(4) Said party of the first part agrees, at the pleasure and written order of said Board, to take up and remove said sidetrack or switch, and upon failure so to do upon such notification, in writing, of ten (10) days, to promptly pay the cost of having the same done. And the party of the first part hereby releases all claim for damages whatsoever that may arise by reason of such removal; and in removing said sidetrack or switch or in causing the same to be done, said Board shall in no wise become a trespasser.

(5) The party of the first part agrees to plank between sidetrack or switch, from property line to property line, of Rural street, to the entire satisfaction of the party of the second part; and in case said sidetrack or switch shall be or become out of repair or in need of being reconstructed, or become in any way defective, (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove the same, failing in which, after notification in writing, of ten (10) days, said Board shall do or cause the same to be done, at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable

(6) The said party of the first part hereby binds itself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said sidetrack or switch, and to pay any judgment, with costs, that may, on that account, be rendered against it or said city.

(7) Any violation of any provision of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract, provided, however, that the same may be terminated without cause at the pleasure of said Board, as hereinafter set forth in Clause four (4.)

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled, "An act concerning the incorporation and government of cities having more than one hundred thousand (100,000) population according to the United States census last preceding, and matters connected therewith, and declaring an emergency," approved March 6, 1891, and in consideration of the things hereinbefore set forth, and upon the terms and provisions herein stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain a single switch or sidetrack across Rural street in the City of Indianapolis, as follows: The center line of said proposed switch or sidetrack begins at a point in the east line of Rural street, the said point being eight (8) feet north of the center line of the main track of the C., C. & St. L. Ry. Co.; thence west with a curved line to a point in the west line of Rural street, the said point being twenty-one (21) feet north of the center line of the C., C. & St. L. Ry. Company's main track.
