Mr. Newman made the following report:

Indianapolis, April 24, 1871.

To the Mayor and Common Counsil of the City of Indianapolis:

Gentlemen—The Committee on Finance, to whom was referred the petition of the Second Presbyterian Church, of this city, beg leave to report that, as stated by the petition, that said church has owned and occupied lots 5 and 6 of Alv'd & Co's sub-div. of Butler's addition to the city, for church purposes, and as they understand the law to be, said property is not subject to taxation, and the committee recommend that the tax for 1870 be remitted as prayed for.

Respectfully submitted,

JOHN S. NEWMAN, ISAAC THALMAN, J. H. WOODBURN, THOMAS COTTRELL, AUSTIN H. BROWN,

Committee on Finance.

Which was concurred in.

Also,

Indianapolis, April 24, 1871.

To the Mayor and Common Council of the City of Indianapolis:

Gentlemen—The Committee on Finance, to whom was referred the petition of Frederick Teine and others, praying that the said Teine be released from paying taxes on lot No. 11, in out-lot No. 29, on account of his sickness and poverty, and the sickness of his family, beg leave to report that they have no reason to doubt the statement of the petition, but it is a question of policy and charity merely whether the city shall adopt such a plan to relieve any part of the real property of the city from the payment of taxes or otherwise. If there is danger of the petitioner, his wife and family becoming public charges on the county, and the Council were called on or requested by the proper county authorities to aid in supporting them by relinquishing the taxes, it would be an appeal addressed to our charity or benevolence, and it might be proper to grant the aid; but, as at

present advised, your committee return this to the Council without any recommendation.

Respectfully submitted,

JOHN S. NEWMAN, ISAAC THALMAN, J. H. WOODBURN, A. H. BROWN, T. COTTRELL, Committee on Finance.

Which was concurred in.

Also,

Indianapolis, April 24, 1871.

To the Mayor and Common Council of the City of Indinapolis:

GENTLEMEN—Your Committee on Finance, to whom was referred the petition of L. B. Wilson, on the subject of refunding taxes for the year 1869, paid by him for the estate of Emerine A. Mothershead, deceased, beg leave to report that we infer from the petition that Mr. Wilson was the executor or administrator of the estate of the decedent, who died in this city, and that her estate was administered, and that the heir or legatee was a resident of the State of Illinois. The estate taxed being personal, he claims was over assessed about \$411 in an assessment of \$6,486. Mr. Wilson objects to the manner of assessment, and says the taxable or taxed estate was paid to the heir before the tax became payable, and that it was not taxable in the city. Your committee can see no objection nor illegality in the manner of the assessment, and are of the opinion that if it was in the hands of the executor or administrator at the time of the assessment, it was properly and legally taxed. The committee are, therefore, of the opinion that there is no legal or equitable requirement that we should refund the taxes, and pray to be discharged from the further consideration of said petition.

Respectfully submitted,

JOHN S. NEWMAN, ISAAC THALMAN, J. H. WOODBURN, A. H. BROWN, T. COTTRELL,

Committee on Finance.
