SECTION 3. The City of Indianapolis shall issue its Series 1990 Bonds in an aggregate principal amount not to exceed Eleven Million Dollars (\$11,000,000) for the purpose of procuring funds to loan to the Company in order to finance the Project, which Series 1990 Bonds will be payable as to principal, premium, if any, and interest solely from the payments made by the Company pursuant to the Loan Agreement and payments made pursuant to the Note in the principal amount equal to the aggregate principal amount of the Series 1990 Bonds which Note will be executed and delivered by the Company on behalf of the Members to support said loan and as otherwise provided in the above described Financing Documents. The Series 1990 Bonds shall never constitute a general obligation of, an indebtedness of, or charge against the general credit of the City of Indianapolis.

SECTION 6. The provisions of this ordinance and the Financing Documents shall constitute a contract binding between the City of Indianapolis and the holder of the Series 1990 Bonds and after the issuance of said Series 1990 Bonds, this ordinance shall not be repealed or amended in any respect which would adversely affect the right of such holder so long as said Series 1990 Bonds or the interest thereon remains unpaid.

SPECIAL ORDERS - FINAL ADOPTION

PROPOSAL NO. 51, 1990. Councillor Dowden reported that the Public Safety and Criminal Justice Committee heard Proposal No. 51, 1990, on January 24, 1990. This proposal amends the Code dealing with additional duties and responsibilities of the Justice Agency Board. Councillor Dowden stated that this additional responsibility would give the Justice Agency Board the right to contract for assistance in the collection of money owed to agencies that report or that are a part of that agency. This additional responsibility was amended in Committee by deleting the stricken through language and adding the underlined text as follows: "(q) To contract for assistance in the collection of money owed to the subject agencies and to add the costs of collection, including reasonable attorney fees if amount owed exceed \$25 and became delinquent after July, 1986, to the amount owed and collected". By a 6-0 vote, the Committee reported the proposal to the Council with the recommendation that it do pass as amended. Councillor Dowden moved, seconded by Councillor Holmes, for adoption.

Councillor Durnil stated that he believes city and county agencies can be more professional and efficient than a collection agency in the collection of fines owed to a government agency.

Councillor Clark stated that, in his opinion, many times a person simply does not have the money to pay the fine, and if an additional fee is added, it will be all the more difficult for the person to pay.

Councillor Williams stated that the Justice Agency was conceived to deal with information gathering and she feels that it is wrong to expand their duties to include the collection of money.

Councillor West said that when a person leaves the State, it is easier for the private sector to collect the money owed the city or county agency.
