### **SPECIAL ORDERS - PUBLIC HEARING**

PROPOSAL NO. 276, 1994. The proposal appropriates \$208,364 in the County General Fund for the County Coroner to (1) hire two additional full-time forensic pathologists and to retain a third for the purpose of performing postmortem examinations for Marion County and the surrounding counties, and (2) cover increased toxicology/histology costs. Councillor Rhodes asked for consent to postpone Proposal No. 276, 1994 until July 11, 1994. Consent was given.

PROPOSAL NO. 355, 1994. Councillor Rhodes reported that the Administration and Finance Committee heard Proposal No. 355, 1994 on June 27, 1994. The proposal amends the salary schedule for Marion County employees by adding a contingency range. The Marion County Job Classification Board (Board) has created a classification for forensic pathologists which needs to be approved by the Council. By a 4-2 vote, the Committee reported the proposal to the Council with the recommendation that it do pass.

The President called for public testimony at 7:38 p.m. There being no one present to testify, Councillor Rhodes moved, seconded by Councillor Short, for adoption.

Councillor Golc stated that it is his understanding that when a position is reclassified the Board requires a budget impact statement and a statement justifying the need for that position to be reclassified. Councillor Rhodes said that the Board has received the necessary information from the Coroner's Office.

Councillor Williams asked what happens if a decision is made to contract with a hospital for the services of a forensic pathologist. The President said that most hospitals do not have a practicing forensic pathologist; hospitals have pathologists, but a forensic pathologist is a legal classification.

Councillor Hinkle said that he supports this proposal, but he wants the record to show that this proposal should not be considered an authorization for the Coroner's Office to hire pathologists and then ask the Council to fund those positions. The Council needs to have in writing a plan of how the Coroner's Office is going to be restructured, and how that office intends to save dollars.

Councillor Gray asked what happened with the agreement that the Coroner's Office had with Indiana University (IU). The President said he has discussed this matter with the head of IU's Pathology Department and has learned that IU is interested in renewing the contract. The Coroner has located two very qualified forensic pathologists that he would like to hire. The Coroner will make a decision in the next two weeks to either renew IU's contract or hire two forensic pathologists.

June 27, 1994

Councillor Ruhmkorff said that she read about the Auditor's report concerning the Coroner's Office in the newspaper. She would appreciate receiving reports from the Auditor's Office instead of reading about them in the newspaper.

Councillor Smith voiced his support for a renewal of IU's contract.

Proposal No. 355, 1994 was adopted on the following roll call vote; viz:

*22 YEAS: Beadling, Black, Borst, Brents, Coughenour, Curry, Dowden, Franklin, Giffin, Gilmer, Hinkle, Jimison, McClamroch, Moriarty Adams, Mullin, O'Dell, Rhodes, Schneider, SerVaas, Short, Smith, West*

*7 NAYS: Boyd, Golc, Gray, Jones, Ruhmkorff, Shambaugh, Williams*

Proposal No. 355, 1994 was retitled SPECIAL RESOLUTION NO. 50, 1994 and reads as follows:
