

**MINUTES OF THE CITY-COUNTY COUNCIL
AND
SPECIAL SERVICE DISTRICT COUNCILS
OF
INDIANAPOLIS, MARION COUNTY, INDIANA**

**REGULAR MEETINGS
MONDAY, JUNE 12, 1995**

The City-County Council of Indianapolis, Marion County, Indiana and the Indianapolis Police Special Service District Council, Indianapolis Fire Special Service District Council and Indianapolis Solid Waste Collection Special Service District Council convened in regular concurrent sessions in the Council Chamber of the City-County Building at 7:16 p.m. on Monday, June 12, 1995 with Councilor SerVaas presiding.

Councilor Mullin led the opening prayer and invited all present to join him in the Pledge of Allegiance to the Flag.

ROLL CALL

The President instructed the Clerk to take the roll call and requested members to register their presence on the voting machine. The roll call was as follows:

29 PRESENT: Beadling, Black, Borst, Boyd, Brents, Coughenour, Curry, Dowden, Franklin, Giffin, Gilmer, Golc, Gray, Hinkle, Jimison, Jones, McClamroch, Moriarty Adams, Mullin, O'Dell, Rhodes, Ruhmkorff, Schneider, SerVaas, Shambaugh, Short, Smith, West, Williams

A quorum of twenty-nine members being present, the President called the meeting to order.

INTRODUCTION OF GUESTS AND VISITORS

President SerVaas introduced Dr. Frank Lloyd, former Executive Director of Methodist Hospital. Councillor O'Dell stated that on June 2 the Warren Central Warriors won the IHSAA track and field state championship, setting two new school records, and defeating top-ranked Kokomo.

At this time President SerVaas asked Helen Brown, Indianapolis Downtown, Incorporated (IDI), to update the Council on the new Indianapolis downtown shuttle service. Ms. Brown stated that a new downtown shuttle service will be provided during the lunch hour (11:00-2:00) in order to transport people to and from the Circle Centre Mall. The shuttle will operate Monday through Friday only, and will cost 50 cents. If it is successful, it will be the nation's first unsubsidized shuttle service.

Ms. Brown stated that IDI sought a transportation specialist to undertake the operation of the new shuttle. IDI also requested that the company providing the service to provide a two-year commitment, a waiting time of 5-8 minutes, and simple, understandable routes. IDI did approach Metro, however, Metro declined. Indy Connection Limosines, Inc. was the only company that made a proposal to IDI.

Craig DelFabro, President, Indy Connection Limosines, Inc., stated that the routes will be concise and accommodating. The routes, however, will be somewhat limited in the beginning in an effort to avoid "trying to do too much at one time."

Councillor Smith asked why the IUPUI campus and Eli Lilly are not included in the route. Mr. DelFabro stated that at this time the shuttle will concentrate on the "core" businesses that are closer to the mall. It is anticipated that separate routes for IUPUI and Eli Lilly will be added at a later date.

Councillor Curry asked how many vehicles will be utilized in the beginning. Mr. DelFabro stated that there will be three vehicles in operation as well as a fourth "backup" vehicle. Councillor Curry asked if there is an "escape clause" in the two-year commitment. Mr. DelFabro stated that he may exit the agreement after one year if the shuttle is not profitable.

SPECIAL ORDERS - PUBLIC HEARING

PROPOSAL NO. 267, 1995. Councillor Rhodes reported that the Administration and Finance Committee heard Proposal No. 267, 1995 on April 27, 1995. The proposal appropriates \$128,000 for the County Auditor to pay for administration and sale of County-owned land, financed from additional County General Fund revenues generated by such sales. By a 5-0 vote, the Committee reported the proposal to the Council with the recommendation that it do pass. Councillor Rhodes moved, seconded by Councillor Jimison, for adoption.

June 12, 1995

The President called for public testimony at 8:12 p.m. Councillor West asked if, under State law, the Auditor or the County Commissioners have the responsibility for sale of property. Mr. West also asked if it is the responsibility of the County Commissioners or the Mayor to handle the actual sale. Cindy Land, Deputy Auditor, stated that the County Commissioners will act as the disposing agent, however, the Mayor will continue to sign all deeds for transfers. Any properties valued over \$10,000 would continue to be approved by the Council.

Abu Henderson, Citizen, stated that he feels that Proposal No. 367, 1995 is a form of monopolization. He then asked who will be signing the titles for the transfer of these properties. Councillor West explained that these properties will not be transferred, they will be sold. Ms. Land stated that these properties will become County-owned if they fail to be sold in two tax sales.

Councillor Beadling asked if the City Real Estate Division will be abolished. Ms. Land answered in the negative and stated that the Real Estate Division is currently budgeted to handle City-owned property only. Councillor Beadling asked about the hazardous grounds inspections for properties. Ms. Land stated that those inspections will be conducted in the same manner as in the past.
