PROPOSAL NO. 615, 1995. Councillor Rhodes reported that the Administration and Finance Committee heard Proposal No. 615, 1995 on October 2, 1995. The proposal is a licensure of public pay telephones. Councillor Rhodes stated that some areas where pay phones have been installed have become sites for loitering and/or drug activity. In a joint effort with the Indiana Payphone Association and Ameritech, guidelines have been established for the placement of outdoor pay phones, and a licensing fee of \$52 per pay phone provider has been proposed by this proposal. By a 7-0 vote, the Committee reported the proposal to the Council with the recommendation that it do pass as amended.

Councillor Rhodes moved that in Sec. 936-2 (c) the words "per provider" should be added at the end of the sentence. The motion was seconded by Councillor Coughenour and passed by unanimous voice vote.

Councillor Beadling asked who would follow-up on these new rules. Councillor Rhodes replied the Police Department will answer the complaints and the Controller's Office will supervise the licensing of the pay phone providers.

Councillor West stated that he believes the director of the Department of Metropolitan Development should be part of this effort because most citizens direct their complaints to the township administrators first.

Councillor Schneider stated that he opposes this proposal because it is more regulation that is not necessary. Councillors Short, Coughenour, Gray, and Jimison, voiced their support of this proposal because it is a tool for law enforcement to prevent drug dealing. Councillor O'Dell said that he hopes these restricted pay phones will be clearly marked.

that the 35 mph speed limit is too high. Councillor Golc stated that the neighborhood association recommends this speed limit. **NEW BUSINESS**

Councillor McClamroch said that at the September 25, 1995 Council meeting, a motion, sponsored by Councillor Boyd, was passed concerning the City's public transportation. This motion provided for the formation of a broad-based task force; the \$6 million in public mass transportation dollars be held in the City Controller's budget; and any actions concerning the restructuring of public transportation be deferred until the task force can make recommendations. Councillor McClamroch offered the following resolution in response to Councillor Boyd's motion and moved for its adoption:

A COUNCIL RESOLUTION to establish a special METRO Bus Task Force.

WHEREAS, the Council at its meeting on September 25, 1995, resolved to establish a special task force to study public transportation in Indianapolis; now, therefore:

BE IT RESOLVED BY THE CITY-COUNTY COUNCIL OF THE  
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

SECTION 1. The Indianapolis City-County Council hereby establishes a special METRO Bus Task Force to study public transportation in Indianapolis, with a special focus upon METRO buses of the Indianapolis Public Transportation Corporation (IPTC), and including other supplementary and alternative options.

SECTION 2. The Council President shall invite the following persons to serve at his discretion on the METRO Bus Task Force: Councillors Beulah Coughenour, Ron Franklin (who shall serve as Task Force Chairman), Gordon Gilmer, Monroe Gray, Mary Moriarty Adams, Cory O'Dell, and William Schneider; Deputy Mayor for Neighborhoods Irma Neal; Center Township Trustee Julia Carson; State Representative William Crawford; Reverend Wayne Harris of Concerned Clergy; Stacy Porter of the Indianapolis Chamber of Commerce; and Matt Ravin of the Mayor's Advisory Council. The Council President may expeditiously fill any vacancies during the life of the Task Force.

SECTION 3. All Task Force meetings shall be open to the public, and the Task Force shall make recommendations to the Council. Interested parties such as the driver's union, METRO, organizations representing riders, environmental organizations and others will have ample scheduled time to present evidence, opinions and testimony to the Task Force.

SECTION 4. The recommendations shall be delivered to the Council on or before November 14, 1995.

SECTION 5. The purpose of the Task Force is to provide open hearings and testimony on issues related to the proposed appropriation of \$6 million by the Council for public transportation, and to review and make recommendations concerning transportation proposals brought to the Task Force by the city.

SECTION 6. This resolution shall be in full force and effect upon adoption and compliance with IC 36-3-4-14.

This motion was seconded by Councillor West.

Councillor Boyd stated that he has concerns with the way the proposed task force is constituted in Councillor McClamroch's resolution. He said that not all of the people listed as members of the task force have been contacted, and they have not all consented to serve. He has some concern also with the last sentence in Section 2: *The Council President may expeditiously fill any vacancies during the life of the Task Force.* Mr. Boyd said that this means that if any of the persons listed in this resolution decided not to serve on the task force, then the President would have absolute and full discretion to replace them. Councillor Boyd said he will not support this resolution.

Councillor Coughenour stated that she does not want to delay the creation of this task force because the Council needs to have some recommendation by the first of the year. She said that she has multi service centers in her district that depend on public transportation. Councillor Smith voiced his support of this resolution. He said that he is more concerned about the ridership than the unions.

Councillor Williams stated that the Council has no right to appoint elected officials to positions without their consent. The President said that the members listed for this task force have either requested to be on this task force or have been contacted by him or the minority leader.

Councillor Jimison stated that it seems to her that there are some interests that are not represented on this task force such as environmentalists and bus drivers. She moved to table the resolution. Councillor Williams seconded the motion to table. Councillor Jimison's motion to table failed by the following roll call vote; viz:

*10 YEAS: Boyd, Brents, Golc, Gray, Jimison, Jones, Moriarty Adams, Mullin, Short, Williams  
18 NAYS: Beadling, Borst, Coughenour, Curry, Dowden, Franklin, Giffin, Gilmer, Hinkle,  
McClamroch, O'Dell, Rhodes, Schneider, SerVaas, Shambaugh, Smith, Tilford, West  
1 ABSENT: Black*

Councillor Rhodes stated that the union should not be represented on the task force because that would be a direct conflict of interest; however, the union will be able to testify before the task force. He does not believe the environmentalists have a valid concern. Councillor Borst said he voted against tabling because "time is of the essence."

Councillor Boyd said that if this resolution is passed by the Council it will be a "mistake of the first order." He said that there is a belief that some people in this City have broken faith with people who sat in meetings to work out compromises with the whole concept.

Councillor Dowden moved the question. Councillor Gilmer seconded the motion.

Councillor McClamroch said that the very same people who asked that the task force be created now are opposed to it because they do not like the composition of the task force. All the groups who have a reasonable connection to this issue are represented. The resolution provides every opportunity for open meetings and testimony from all interested groups. Councillor McClamroch said he would predict that the same organizations that are objecting to this resolution will throw up procedural roadblocks throughout this process. He urged the Councillors to vote in favor of this resolution.

The President said he agrees with both the majority and minority leaders. There have been many discussions since he was asked by the Council to appoint members to this task force. All interested groups will have the opportunity to appear before the task force. No one is being excluded.

Councillor Jimison asked if there is anything that would prohibit the President from inviting additional members to the task force. She said that she would like an environmentalist and a bus driver added to the task force. The President said if there are vacancies, he would consult interested Councillors on alternatives.

Councillor McClamroch's resolution was adopted by the following roll call vote; viz:

*18 YEAS: Beadling, Borst, Coughenour, Curry, Dowden, Franklin, Giffin, Gilmer, Hinkle,  
McClamroch, O'Dell, Rhodes, Schneider, SerVaas, Shambaugh, Smith, Tilford, West  
10 NAYS: Boyd, Brents, Golc, Gray, Jimison, Jones, Moriarty Adams, Mullin, Short, Williams

Councillor McClamroch's motion was retitled COUNCIL RESOLUTION NO. 66, 1995, and reads as follows:

October 16, 1995

Councillor Jimison stated that she wanted to salute those men, including Councillor Black, who journeyed to Washington, D.C. to participate in the Million Man March. She also wanted to give kudos to the Indianapolis Colts.

**ANNOUNCEMENTS AND ADJOURNMENT**

The President said that the docketed agenda for this meeting of the Council having been completed, the Chair would entertain motions for adjournment.

Councillor Boyd stated that he had been asked to offer the following motion for adjournment by Councillor Shambaugh in memory of Sandra J. Bash. Councillor Boyd moved the adjournment of this meeting of the Indianapolis City-County Council in recognition of and respect for the life and contributions of Sandra J. Bash. He respectfully asked the support of fellow Councillors. He further requested that the motion be made a part of the permanent records of this body and that a letter bearing the Council seal and the signature of the President be sent to the family advising of this action.
