To the Honorable President and

COMMUNICATIONS FROM CITY OFFICIALS

December 2, 1935.

To the Honorable President and
Members of the Common Council
of the City of Indianapolis.

Gentlemen:

Attached please find copies of Appropriation Ordinance No. 32, 1935, appropriating the sum of Twenty Thousand (\$20,000.00) Dollars out of the unexpended and unappropriated balance of the General Fund for the year 1934 to Department of Public Works, Office Administration Fund No. 22—Heat, Light and Power.

I respectfully recommend the passage of this ordinance.

Yours very truly,

WALTER C. BOETCHER,
City Controller.

November 26, 1935.

Mr. Walter C. Boetcher,
City Controller,

Dear Sir:

The Board of Public Works and Sanitation respectfully request that you cause to be prepared an ordinance appropriating the sum of

\$20,000.00 out of the unexpended and unappropriated balance of the General Fund 1934, into Board of Public Works and Sanitation Administration 22, Heat, Light and Power, which is made necessary by the fact that the 1935 request for this item was based upon the execution of a new contract for public lighting. As you know this did not materialize and we are now operating under an extension of the old contract and the saving anticipated was, therefore, not effected.

This fact was brought to the attention of the Common Council at the time of the submitting of the 1935 budget and I also advised the present Council that the 1936 request for this item is also based upon the anticipation of effecting a saving in the light contract.

Will you kindly present the same to the Common Council at its next meeting with the recommendation from the Board of Public Works and Sanitation that the same be passed?

Very truly yours,

BOARD OF PUBLIC WORKS AND SANITATION

By: ERNEST F. FRICK,
Secretary.

Gentlemen:

Attached please find copies of General Ordinance No. 97, 1935, transferring moneys from certain funds and reappropriating the same to other designated funds.

November 19, 1935.

Walter C. Boetcher,
City Controller,
City of Indianapolis.

Dear Sir:

The Board of Safety has this date approved the request of Chief Morrissey for the transfer of Seven Hundred (\$700.00) Dollars from

the police department budget—Fund No. 11—Salaries and Wages, Regular—Patrolmen First Grade, to police department budget—Fund No. 38—General Supplies.

Chief Morrissey advises us that when requesting budget transfers last August, due to an oversight, the reimbursing of the above numbered fund was omitted. He states that all Bertillon supplies are purchased from Fund No. 38 and, that due to Government requirements, there have been more expenditures from the fund this year than during the year 1934, and that it will be absolutely necessary to reimburse this fund in the above amount for the remainder of the year.

We, therefore, ask that you cause to be prepared an ordinance transferring Seven Hundred (\$700.00) Dollars from the police department budget—Fund No. 11—Salaries and Wages, Regular—Patrolmen First Grade, to Fund No. 38, General Supplies, police department budget.

Respectfully submitted,

BOARD OF PUBLIC SAFETY,
By: THEO. H. DAMMEYER,
President.

November 29, 1935.

Mr. Walter C. Boetcher,
City Controller.

Dear Sir:

The Board of Public Works and Sanitation respectfully request that you cause to be prepared an ordinance transferring the following funds out of Board of Public Works and Sanitation Administration No. 24, as follows:

In Public Buildings No. 25—Repairs	\$500.00
In Public Buildings No. 34—Institutional, Medical (Janitor Supplies)	250.00
In Public Buildings No. 38—General Supplies	100.00
In Public Buildings No. 41—Building Materials	150.00

This transfer is made necessary due to the extraordinary expense incurred in the remodeling of Controller's office, the Park Board office and the Municipal Garage, made necessary by the consolidation of the Barrett Law Department with the Controller's office and the Sanitary Garage with that of the Municipal Garage.

Will you kindly present same to the Common Council at its next meeting with the recommendation from the Board of Public Works and Sanitation that the same be passed.

Very truly yours,

BOARD OF PUBLIC WORKS AND SANITATION,

By: ERNEST F. FRICK,
Secretary.

December 2, 1935.

Mr. Walter C. Boetcher,

Dear Sir:

The balance in Department of Law Item 5—Current Charges, Fund 55—Subscriptions and Dues, is \$14.50, and we now have obligations that should be paid from this fund amounting to \$20.00, as follows:

To The Frank Shepard Company, \$10.00 for Shepard's Northwestern Reporter Citations Quarterly Cumulative Supplements, October, 1935, to October, 1936.

In order that we may pay these bills during the current year, I ask that you recommend to the Common Council the passage of an ordinance providing for the transfer of \$6.00 from Department

of Law Item 1—Services Personal, Fund 11—Salaries and Wages, Regular, to the above mentioned fund.

Very truly yours,

OTHER COMMUNICATION

November 26, 1935.

Mr. Daniel J. O'Neill, Jr., City Clerk,
The Common Council, City of Indianapolis,
35 S. Alabama Street,
City.

Dear Mr. O'Neill:

The Property Management Division of the Indianapolis Real Estate Board has been attempting to curb widespread vandalism in the city of Indianapolis. At the last meeting, the members of

this Division which represents all of the leading rental offices of Indianapolis, discussed a proposal submitted by Chief of Police Michael F. Morrissey. The proposal was that all those persons pawning or selling used merchandise through companies organized for this purpose, be required to submit to finger printing. It also provided that a city ordinance covering this should include a requirement that merchandise be held at least 96 hours before resale. At the present time, stolen merchandise can and is resold before the police department is notified.

We wish to place this matter before you for consideration and ask your permission to have representatives of this Division appear before the City Council of Indianapolis at your next meeting.

Will you please advise us whether or not this will be possible?

Very sincerely yours,

INDIANAPOLIS REAL ESTATE BOARD
PAUL L. McCORD, President,
Property Management Division.
EARL B. TECKEMEYER, Chairman.

A public hearing was held concerning General Ordinance No. 87, 1935, at which time representatives from the four major taxicab companies were heard.

Mr. Cable asked for a recess. The motion was seconded by Mr. Kealing and the Council recessed at 8:40 p. m.

The Council reconvened at 9:15 p. m. with the same members present as before.
