From the Special Committee on Market Matters :

Indianapolis, Ind., August 2, 1920.

Mr. President and Members of Common Council.

Gentlemen: We, your committee appointed to investigate market conditions on South Side, find that the one being operated at Arizona St. and Railroad by the South Side citizens, is very beneficial to residents in that locality, and we believe that a market located at Shelby St. barns will also be a great benefit to South Side citizens, and we recommend that a part of Shelby St. barn be put in condition for said market. There is plenty of room there for the city requirements, also market, but we do not think Fountain Square should be used for market, as Shelby St. is amply big enough to take care of market conditions at that point.

J. B. BROWN,
LOUIS W. CARNEFIX,
W. B. PEAKE.
