

INDEX

A.

	PAGE
Act for Publication of Reports.....	8
Appropriation for 1917-1918.....	9
Andrews, F. M.—	
Studies on Pollen.....	163
Stoppage of a Sewer Line by Roots of <i>Acer Saccharum</i>	165
Anthocyanin of <i>Beta Vulgaris</i>	167
Improved Forms of Maximows' Automatic Pipette.....	169
The Effect of Centrifugal Force on Plants.....	175
The Absorption of Iron by Platinum Crucible in Clay Fusions, Wm.	
M. Blanchard and Roscoe Theibert.....	189
Artificial Selection on Bristle Number in <i>Drosophila Ampelophila</i> ,	
The Effect of, Fernandus Payne.....	249
Anthocyanin of <i>Beta Vulgaris</i> , F. M. Andrews.....	167

B.

By-laws	7
Beals, C. C.—	
The Effect of Aeration of the Roots of <i>Zea Mays</i>	177
Brief Notes on the New Castle Tornado.....	219
Behrens, C. A., The Erdmann New Culture for Protozoa.....	297
Blanchard, William, The Absorption of Iron by Platinum Crucible	
in Clay Fusions	189

C.

Constitution	5
Committees, 1918	12
A Comparison of Plant Succession on Hudson River Limestone with	
That on Niagara Limestone, M. S. Markle.....	109
Chemical Estimation on the Fertility of Soils in Fulton County,	
Indiana, R. H. Carr and W. K. Gast.....	201
Carr, R. H., Chemical Estimation on the Fertility of Soils in Fulton	
County, Indiana	201
Clark, Howard Walton, The Unionidae of Lake Maxinkuckee.....	251
Cromwell, Hobart, Further Experiments with the Mutant, Scarlet,	
from <i>Drosophila Repleta</i>	287
Conner, S. D., The Injurious Effect of Borax in Fertilizers on Corn	195
Corn Pollination, Improved Technique for, Paul Weatherwax.....	105

D.

	PAGE
Dryer, Charles R., The Physiography of Indianapolis.....	55
Dwarfing Effect of Attacks of Mites of the Genus Eriophyes Upon Norway Maples, Howard E. Enders.....	79
Disposition and Intelligence of the Chimpanzee, W. Henry Sheak..	301

E.

Eigenmann, Carl H., The Pygidiidae.....	59
An Epidemic Among the Fishes of Huffman's Lake, Will Scott....	67
Enders, Howard E., Dwarfing Effect of Attacks of Mites of the Genus Eriophyes Upon Norway Maples.....	79
The Effect of Centrifugal Force on Plants, F. M. Andrews.....	175
The Effect of Aeration of the Roots of Zea Mays, C. C. Beals.....	177
The Injurious Effect of Borax in Fertilizers on Corn, S. D. Conner..	195
Evans, P. N., Sulphur By-products of the Preparation of Ether....	211
The Effect of Tobacco Smoke and of Methyl Iodide Vapor on the Growth of Certain Micro-organisms, C. A. Ludwig.....	217
Energy Losses in Commercial Hammers, Edwin Morrison and Robert Petty	245
Further Experiments with the Mutant, Scarlet, from Drosophila Repleta, Hobart Cromwell.....	287
The Erdmann New Culture Medium for Protozoa, C. A. Behrens and H. C. Travelbee.....	297
Evermann, Barton Warren, The Unionidae of Lake Maxinkuckee..	251

F.

Fall Meeting, Minutes of.....	43
Foresman, G. K., Sulphur By-products of the Preparation of Ether	211
Where Feeble-minded Are Self-supporting, Hazel Hansford.....	85

G.

Germinal Changes in the Bar-eyed Race of Drosophila, Chas. Zeleny	73
Gast, W. K., Chemical Estimation of the Fertility of Soils in Fulton County, Indiana	201

H.

Hunting Wild Birds—Penalty.....	10
Hansford, Hazel, Where the Feeble-minded are Self-supporting....	85
Hess, Walter N., A Seasonal Study of the Kidney of the Five-spined Stickleback	295
Heimlich, Louis F., The Trees of White County, Indiana.....	387

I.

	PAGE
Certain Indicia of Dip in Rocks, William N. Logan.....	229

J.

Jackson, H. S.—	
The Ustilaginales of Indiana.....	119
The Uredinales of Indiana, II.....	133
The Uredinales of Delaware.....	311

K.

Knipp, Charles T.—	
An Improved Form of Mercury Vapor Air Pump.....	241
A Possible Standard of Sound.....	243

L.

Logan, William N.—	
The Mount Carmel Fault.....	221
Utilization of Indiana Kaolin.....	227
Certain Indicia of Dip in Rocks.....	229
Ludwig, C. A.—	
The Effect of Tobacco Smoke and Methyl Iodide Vapor on the Growth of Certain Micro-organisms.....	217

M.

Members—	
Active	24
Fellows	15
Non-resident Members and Fellows.....	20
Mottier, D. M., Plastids.....	97
Markle, M. S.—	
A Comparison of Plant Succession on the Hudson River Lime- stone with That on Niagara Limestone.....	109
Notes on Microscopic Technique.....	115
Microscopic Technique Notes on Maximows' Automatic Pipette, Im- proved Forms of, F. M. Andrews.....	169
The Mount Carmel Fault, William N. Logan.....	221
Mercury Vapor Air Pump, An Improved Form of, Charles Knipp..	241
Morrison, Edwin, Energy Losses in Commercial Hammers.....	245

N.

Noyes, H. A., Reaction of Culture Media.....	149
Nothnagel, Mildred, Resistance of Mucor Zygotetes.....	181

Brief Notes on Field Methods Used in Geological Work of Mid-continental Oil Fields, Louis Roark.....	235
New Castle Tornado, Brief Notes on, C. C. Beals.....	219

O.

Officers of 1918.....	11
Officers of Former Years.....	13
Osner, George A., Additions to the List of Plant Diseases of Economic Importance in Indiana.....	145

P.

Petry, Robert L., Energy Losses in Commercial Hammers.....	245
Payne, Fernandus, Artificial Selection in Bristle Number in <i>Drosophila Ampelophila</i>	249
Program of Thirty-third Annual Meeting.....	49
The Physiography of Indianapolis, Charles R. Dryer.....	55
The Pygidiidae, Carl H. Eigenmann.....	59
Plastids, D. M. Mottier.....	97
Pipal, F. J., A Suspected Case of Stock Poisoning by Wild Onions..	139
Plant Diseases of Economic Importance in Indiana, Addition to the List of, George A. Osner.....	145
Pollen, Studies on, F. M. Andrews.....	163

R.

Reaction of Culture Media, H. A. Noyes.....	149
Resistance of <i>Mucor Zygoles</i> , Mildred Nothnagel.....	181
Roark, Louis, Brief Notes on Field Methods Used in Geological Work of Mid-continental Oil Fields.....	235

S.

Spring Meeting, Minutes of.....	39
Scott, Will, An Epidemic Among the Fishes of Huffman's Lake....	67
A Study of the Action of Bacteria on Milk Proteins, George Spitzer and H. M. Weeter.....	91
Spitzer, George, A Study of the Action of Bacteria on Milk Proteins	91
Stock Poisoning by Wild Onion, <i>Allium Canadense</i> , A Suspected Case of, F. J. Pipal.....	139
Stoppage of a Sewer Line by Roots of <i>Acer Saccharum</i> , F. M. Andrews	165
Sulphur By-products in the Preparation of Ether, P. N. Evans and G. K. Foresman.....	211

	PAGE
Standard of Sound, A Possible, Charles T. Knipp.....	243
A Sectional Study of the Kidney of the Five-spined Stickleback, Walter N. Hess.....	295
Sheak, W. Henry, Disposition and Intelligence of the Chimpanzee..	301

T.

Theibert, Roscoe, The Absorption of Iron by Platinum Crucible in Clay Fusions	189
Travelbee, H. C., The Erdmann New Culture Medium for Protozoa	297
