NEW STATE PLANTS.

Tradescantia brevicaulis Raf.

Short stemmed spiderwort. Growing on hillsides near Alliance, Marion County.

Tradescantia bracteata Small.

Long bracted spiderwort. Found in similar localities to the last and associated with it.

Thlaspi arvense L.

Penny Cress. On R. R. near Indianapolis. Rare.

Sisymbrium altissimum L.

On R. R. near Broad Ripple, Marion County. Rare.

Camelina microcarpa Andr.

Waste fields near Fair Grounds at Indianapolis.

Physostegia parviflora Nutt.

Western Lion's Heart. Along White River at Broad Ripple, Marion County.

Solanum Torreyi A. Grey.

Dry fields, Hancock County. Spreading. Reported to me by Jacob Schramm.

Houstonia tenuifolia Nutt.

Slender leaved Houstonia. Dry hills in northern part of Marion County.
